

CLAY

This Andrew Jackson, he's gaining popularity. He's getting out of control.

MONROE

Now, I receive word that he's taken Florida from the Seminoles.

VAN BUREN

How very exciting!

CLAY

Shut up, Van Buren!

VAN BUREN

Sorry.

MONROE

Look, this hick cowboy-general is responsible for the largest land grab in the history of our country. He makes Jefferson look like a pussy. I can't imagine what he's making me look like in the process. You must advise me: what should I do?

CALHOUN

I like what he's done. But he's a loose cannon and needs to be controlled. You summon Jackson to the White House... We'll get to the bottom of this.

VAN BUREN

Bottoms! Yay!

MONROE

Jesus, Van Buren. I mean, come on! Why you always got to be such a motherfucker? All this shit just happened and you, you're the last thing I need. (thoughtful beat, then:) We'll show Jackson what Washington is really about.
